

HOW TO PLAY

Build on His Word™ — Kids Edition

Get ready to stack, laugh, move, and discover God's Word in the most fun way possible! Build on His Word™ turns Bible time into game time—and everyone gets to play.

1

What You'll Need

- The Build on His Word™ — Kids Edition block tower
- A Bible (paper or digital!)
- Some verses are written in Bible abbreviations, so you'll look them up together like Scripture detectives!

2

Set It Up!

1. Stack all the blocks into one tall tower.
2. Gather around, pick a starting player, and let the fun begin!

3

Let's Play!

Take turns going around the group.

On your turn:

1. Carefully pull one block from the tower.
2. Read it out loud so everyone can hear.
3. Do what the block says on both sides —no skipping!

4

Pull a Scripture Block

- The verse will be written with a Bible abbreviation (like Ps 23:1).
- Grab your Bible and find the verse together.
- Read it out loud.
- Bonus fun: Share what you think the verse means or how it helps you.
- Jump in and do the silly action on the other side of the block right away!
- You might move, make a sound, strike a pose, or do something funny.
- Everyone cheers—you've got this!

5

Stack It High!

After finishing your verse or action:

- Place the block on top of the tower.
- Try not to wobble... or CRASH!

If the Tower Falls...

Uh-oh!

No worries—this game has no losers.

When the tower falls:

- Say a quick prayer together or
- Read one last Bible verse
- Then rebuild the tower and play again!
